# Getting Care

Get care when you are abroad: find providers and schedule appointments

## 1. Find a provider

Outside the U.S. you have access to care through the GeoBlue provider network. To find a contracted doctor or facility, visit the “Provider Finder” section in the Member Hub on [www.geobluestudents.com](http://www.geobluestudents.com) or in the app. For optimal service, request Direct Pay at least 48 hours prior to your appointment to avoid paying out-of-pocket for medical care and submitting claims.\*

Outside of the U.S. you are free to see any provider you choose without a reduction of benefits. If you see a non-contracted provider, you may have to pay out of pocket for treatment and submit a claim.

**Please note that you are only covered under this plan when outside of your home country.**

## 2. Schedule an appointment

To schedule an appointment, choose a participating provider or hospital through the Member Hub or app. Contact them directly using the information in their profile. After you make your appointment, contact us to provide the doctor’s office with the information required to arrange Direct Pay. For optimal service, request Direct Pay at least 48 hours prior to your appointment. This is necessary when scheduling follow-up appointments as well. In many countries providers require payment at the time of the visit unless Direct Pay has been arranged.

### Contact us to arrange for Direct Pay:

- Use [www.geobluestudents.com](http://www.geobluestudents.com) or the GeoBlue app
- Email [globalhealth@geo-blue.com](mailto:globalhealth@geo-blue.com)
- Call collect on +1.610.254.8771
- Call toll free inside the U.S. on 1.800.257.4823

## 3. Request Direct Pay

To avoid paying up front for medical care and submitting a claim, arrange for Direct Pay.\*

- Use [www.geobluestudents.com](http://www.geobluestudents.com) or the GeoBlue app to find a provider, view a profile and complete a request form
- Email [globalhealth@geo-blue.com](mailto:globalhealth@geo-blue.com) the name of your provider, the reason for your appointment and the date and time of your scheduled visit
- Call collect on +1.610.254.8771

**For optimal service, request Direct Pay at least 48 hours prior to your appointment.**

### In the event of a medical emergency

You should go immediately to the nearest physician or hospital and then call the Medical Assistance phone number for 24/7 care located on the back of your ID card. We will then take the appropriate action to assist and monitor your medical care until the situation is resolved.

\*Members are required to pay any applicable copayments, coinsurance or deductibles at the time of service.

# Getting Care

Get care when you are abroad: prescriptions, assistance and other services

## Prescription benefits

Your prescription medications are covered at 100%.\* Simply pay out of pocket and submit a claim for reimbursement.

## Service requests

If you need assistance with any non-urgent medical issue, you can submit a service request directly to our Global Health and Safety team. Common service requests include help managing prescriptions and finding specialists overseas.

To place a service request, visit the “Service Requests” section in the Member Hub on [www.geobluestudents.com](http://www.geobluestudents.com).

## Assistance with appointment scheduling

While it’s often easier to set up your own appointments, we can help when you are unsure about where to seek care. You may have a new diagnosis, be in a remote area with limited options, in need of translation, or struggling to adapt to your new surroundings.

To request help scheduling a convenient, cashless office visit with one of GeoBlue’s trusted English-speaking doctors. Contact us 24/7: +1.610.254.8771.
